FOOTPATHS

3,0 km 50 hm 1,0 hr No. 1

AROUND THE KALVARIENBERG IN KÖSSEN

At the church in the village center, turn left and follow the trail along its gentle incline. Once on the hill, turn right via the Kegelboden to the Schlechterhöhe. From here, continue on the left side to the north until the forest comes to an end and the forest-free area on the left has been passed. Continue past the farms, then you will get on Leitweg again and follow it back to the center of Kössen.

3,1 km 143 hm 1,0 hr No. 15

SCHMUGGLERWEG KLOBENSTEIN

From the village center Kössen turn left at the dairy into the Mühlbachweg, use the underpass of the main road and cross the Staffenbrücke. At the next junction take the road on the right and after a few meters turn right again. Passing the Niederwies farm, the path joins the smugglers' trail. You get to the pilgrim's church Klobenstein across the hanging bridge.

3,2 km 337 hm 1,0 hr No. 24

EDERNALM

From the Steinbauer car park in the direction of Staffenerhof, after about 150 m, turn left into the footpath. From there, the trail leads with a few gradients to the Ederalm.

4,2 km 20 hm 1,5 hrs No. 14

RIVERSIDE PATH IN KÖSSEN

From the info office in Kössen turn at the dairy into the Mühlbachweg. Through the underpass of the main road, over the Staffenbrücke, then left along the Kössener Ache on the riverside path No. 14 in a southerly direction over the Kohlbach-bridge. Continue straight ahead until you reach the Hüttwirts-bridge. Follow this road at the left along the river until you reach the next crossing. Here you turn right back to the starting point.

7,5 km 260 hm 2,0 hrs No. 10/19

GLASALM

Start in Kössen at the parking Steinbauer near the Staffenbrücke, along the riverside of the Ache, through the underpass and right at the Anna-chapel over to the Außerkapelle or the main road to Walchsee. About 300 m after the Hotel Sonneck, turn right to Landhaus Dax. Through forest and alpine terrain to Glasalm and back down to the trail that leads to the Ederalm. Walk back the forest road to Staffen where you get easily back to the parking lot.

8,9 km 228 hm 2,5 hrs No. 13

KÖSSEN – GUNDHARTING – WALCHSEE

At the Staffenbridge along the riverside path, in a southerly direction, take the underpass of the main road to Walchsee. At the next crossing, keep to the right, branch off to the left just before the Annakapelle. Go through Mooslenz and the fitness trail then cross the main road at the underpass. Follow the path to Gundharting, rising briefly and continue to Kranzach and Walchsee.

10,0 km 184 hm 2,5 hrs No. 11

KÖSSEN – BICHLACH – WALCHSEE

From the information office Kössen in a westerly direction across the Staffenbrücke, then along the riverside path, at the Hotel Waidachhof cross the street and pass the Brennerwirt. After only a few meters turn left and walk along the Kaiserwinkl golf course to the Hotel Riedl. Before the Hotel Riedl turn left, direction „Oberbichlach“ slightly ascending, it goes past farms into the district Durchholz further on to Kranzach. Follow the main road, then immediately turn left again, pass by the old saw, cross right over a narrow bridge the Weissenbach and turn left after the forest and walk towards the lake. Right over the bridge to the Seehotel Brunner, then along the lakeside promenade to the village center of Walchsee.

8,0 km 240 hm 2,5 hrs No. 9

BLAIK – PETERNHOF – KÖSSEN

Start at the information office in Kössen past the tennis café to the Feldweg, follow the street until the adventure club. There you have to turn right and walk to Blaik and Faistenal. Follow the forest path to the Peternhof. Pass the Hotel Peternhof via Moosen or the Moserbergweg and go back to the village center of Kössen.

11,0 km 620 hm 3,5 hrs No. 21

TAUBENSEE

Start is at the information office in Kössen, walk to the city center and turn right on the Mühlbergweg rising to the "High Bridge". From there, the path leads uphill through the forest to the Mühlbergweg. Turn left, after a few meters in front of the Schafflerfarm (parking) turn right. Past the Rinderbachalm and Frankenal. Continue to Dichtleralm past the Sauermöseralm to Sonnwendköpfl. From there on to the Taubensee and the Taubenseehütte. Directly at the Taubenseehütte the trail goes back to the Schafflerhof and you get back the same way to the starting point.

11,25 km 1.259 hm 5,0 hrs No. 23/24

WETTERFAHNE AND RUDERSBURG

At the parking lot Staffen you start in north direction to the Naringbergstraße. Follow this road for about half an hour until you see on the right side a wide forest road to the Hinthagalm. At the junction take the right over mountain pastures up to the weather vane. On the way there you cross a narrow road above the pasture, first it goes diagonally on the left and then in a wide loop to the right. On tracks westwards to the Wetterkreuz. In the same direction – pay close attention to the markings – first walk flat, then upwards to the Rudersburg. Descent at the fork in the road towards Naringalm, and get back to the starting point.

17,6 km 1.325 hm 7,0 hrs No. 26/70

KÖSSEN – UNTERBERG – LACKALM

From the valley station of the cable cars Kössen follow the trail to the forest road past Scheibenwald to the Bärenhütte. From here on a wide hiking trail past the paragliding starting point, you will reach the Unterberghornhütte (summit house), then continue the path (number 26). On a rocky but not difficult ridge, it goes to the summit cross. Only for surefooted and people who are free of giddiness with sense of direction: the descent through the Niederhausertal (not recommended if it is wet!). Shortly before the summit steeply south through mountain pines, airy around a pre summit on through sparse forest and over mountain pastures to Lackalm. Here turn right onto a forest road, through the Niederhausertal to Lucknerhof, before this right back to the starting point.

CYCLING & MOUNTAIN BIKING TRAILS

10,8 km 205 hm 1,0 hr No. 20

LEUKENTALRADWEG

Starting point is the valley station of the Unterberghornbahn. From there take the forest road in an easterly direction, with some slight gradients, partly in the forest area along the foothills of the Unterberg to the „Hagerbrücke“. From there on a very attractive route, along the „Kössener Ache“ to Erpfendorf. Connection to Waidring, Kirchdorf and St. Johann in Tirol.

7,8 km 689 hm 1,25 hrs No. 246

DICHTLERALM

Start in Kössen at the information office in the village center, pass the church and after the curve turn left on to the Mühlbergweg. Follow the road direction Taubenseehütte, 3 km on paved local road along the Talbach past the farms. At the junction turn off right into the forest road to Dichtleralm (3 km mainly alpine area). After about 1.5 km connection via Embachalm to Retl i. Winkl or Oberwössen possible.

24,8 km 1.293 hm 2,5 hrs No. 244

NARING – KARALM – OTTENALM

Starting point is the information office in Kössen, at the roundabout the second exit straight on, along Mühlbachweg through the underpass over the Staffen bridge. Turn right in the direction of Staffen at the car park, then turn right and cycle 2.5 km uphill through a wooded area – continue for 2.2 km, then climb moderately over the alpine pastures to the Naringalm – above the Naringalm, downhill for 2 km to the Nothergeralm. Keeping to the right, connection to the Karalm 2 km steeply ascending over a magnificent alpine pasture area. Keep right during the descent – 1 km moderate ascent to the Ottenalm – downhill to Walchsee, connection to Kössen on the Kaiserwinkl cycle path.

26,0 km 558 hm 3,5 hrs No. 248

KLAUSENBERGRUNDE – SCHÜTTÄLER – LEUKENTAL

Starting point is the info office Kössen. Through the town center on Hüttfeldstraße to Hüttwirt-bridge, turn left in front of the bridge, past the Adventure Club and continue to the bridge. From there continue to the district Loferberg, 150 m after the bus stop, turn left into the forest road. 2.3 km to Klausenberg and further 5.9 km, partly flat to moderately rising, through a scenic forest route to the Schüttälern. Now right on the „Leukentalradweg“ back to valley station Unterberg Kössen.
